WITHOUT WALLS

Hello friends!

Wow, it's our fifth Full Shebang and we're delighted to be back with another festival bursting at its seams, living up to its name.

This year we've a wealth of talent from around the country but also local to home. Shebang Introducing features a line-up of performers from Mansfield and Ashfield, selected by local people.

There's also circus, dance, theatre, immersive installations, music in many forms, dance for every vibe, and hand-on activities for all ages. In fact, there's pretty much a bit of everything.

If you're worried about fitting it all in, check out the handy suggested itinerary at the back. Whatever you choose to see and do, we hope you have a great Full Shebang.

The First Art Team

The Full Shebang is produced and presented by First Art, a local arts charity working with communities across Ashfield, Mansfield, Bolsover and North East Derbyshire to inspire more people to experience and shape cultural events and activities where they live.

Share your Shebang moments on social media and don't forget to tag us.
